

Six Principles of Nurture at BCPS!

At Balsall Common Primary School, we strive to be a 'nurturing' school' as we believe it is important to ensure our pupils are in a nurturing environment that supports them to learn.

Nurture helps us to develop our social and emotional skills, as well as our resilience.

To do this, we promote six principles of nurture. Our School Council have thought of some ways to make this pupil friendly:

1. Children's learning is understood developmentally

- **We all learn in different ways!**

2. The classroom offers a safe base

- **The classroom is a safe place**

3. The importance of nurture for the development of wellbeing

- **Nurture helps us feel good in our mind and body**

4. Language is a vital means of communication

- **The way we speak and the words we use are important**

5. All behaviour is communication

- **How we behave tells you how we feel**

6. The importance of transition in children's lives

- **Everyone faces change and nurture can help**

Together, we can help everyone feel they belong.
