

Dear Parent/Carer,

Further to the recent parent survey regarding PE uniform, I am writing to share with you what this new uniform will look like for children in year 3, 4, 5 and 6 from September 2025.

On days when children are having PE lessons (usually twice each week) children will be expected to come to school in their full PE uniform. To help ensure that this is correct from the start of the new school year, we have created the guide below so that all parents have sufficient time to prepare for this change and place an order for the new PE hoodies.

Tracksuit trousers

Tracksuit trousers must be plain black. They can be close fitted or loose and can have a small logo. These are some examples of suitable uniform.

White T-shirts and black shorts

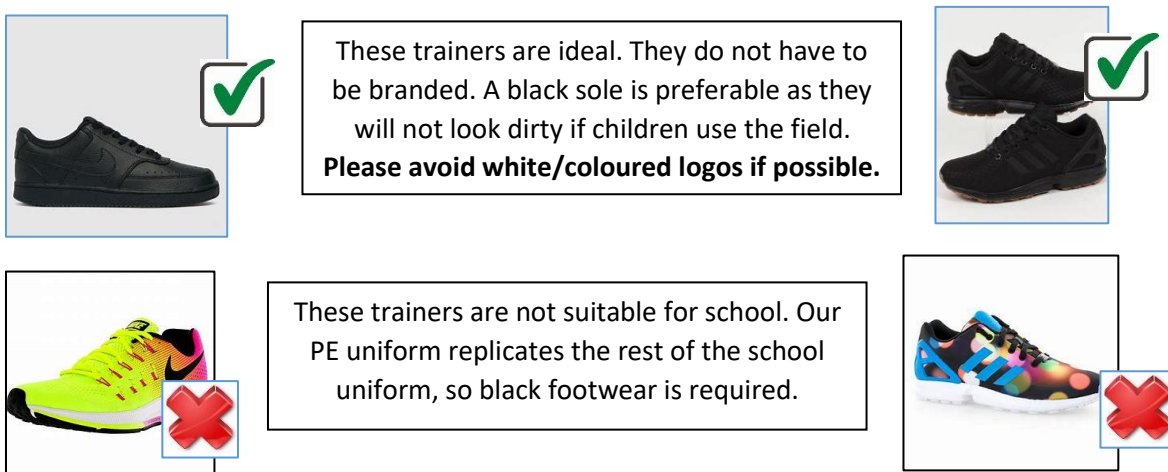

There is no change to the expectations that all children wear black shorts and a white, school logoed T-shirt. The shorts can be worn under the tracksuit trousers so that children can just remove the trousers for the lesson, or tracksuit trousers can be worn for the lesson.

Black Socks

Plain Black socks should be worn on PE days.

Black Trainers

Plain black trainers are to be worn on PE uniform days.

New PE Uniform Hoodie

The new hoodies are a part of the PE uniform and must be worn on PE days. We have looked at garments from a number of suppliers to ensure that they are good quality, easy to wash and will be available in the future. **The school jumper and cardigans cannot be worn with this uniform.** These hoodies are available to order now. They are identical to those worn by our school swim team members so those children will not need to buy an additional garment.

School cardigans and jumpers are not part of the PE Uniform

The PE Hoodie is a high quality garment already worn by our swim team.

Ordering and Costs

If you place your size order and quantities with us before Tuesday 10th June and have made the full payment on Parentpay by this date the negotiated price will be £18.

After this date, you will need to order your garment will be available from Clive Mark school uniform shop in Coundon (CV6 1DY) at a cost of £24.99.

Donations to support families

When conducting the parent survey on PE uniform, some parents said that they would like to help others by making a donation to the school for the cost of a hoodie. In the light of this, we have created a parentpay donation option which is available to all parents who may wish to contribute to the community in this way. This money will be set aside specifically to support families who need help with uniform costs.

And finally...

Please ensure that all PE uniform is **clearly labelled with your child's name**, so that it is not lost. Information will be sent out before the end of the school year to indicate which days your child will need to wear the PE uniform.

If children are attending sports fixtures they will need to wear the PE uniform and we will share relevant information with you when these events have been planned.
