FOR IMMEDIATE RELEASE

Funding success deliver new play area

Our Early Years Foundation at **Balsall Common Primary School Academy** is thrilled to announce the completion of a brand-new play area, which was made possible thanks to five organisations' acceptance of our funding request applications and in-house fundraising event. This incredible support from the wider community highlights the importance of community partnerships and external grant opportunities in creating safe, stimulating outdoor spaces where young children can thrive.

The innovative and inspirational play area will provide children aged 3 to 5 years old improved opportunities for outdoor learning, physical development and creative play – all important and essential for a child's development.

Early Years Foundation would like to sincerely thank the following organisations for their invaluable contributions:

- **Birmingham Airport Community Trust**
- **Knowle United Charities**
- **The Lant Charity**
- **Balsall Parish Council**
- **Groundworks Tesco**
- **In-house Early Year's funding sport event**

Emma Christian, Early Year's Lead at Balsall Common Primary School Academy, said: *'We're so grateful to everyone who supported this project — from the funding organisations to our Nursery and Reception households that believed in our vision. Together, you've created a safe, exciting space for our children to learn, play and grow.'*

Balsall Common Primary School Academy is dedicated to providing a nurturing and stimulating environment where young minds can flourish. Our commitment to community engagement ensures that our students are well-prepared for the future.
