FOR IMMEDIATE RELEASE

From School Council to State Council

School councillors from Balsall Common Primary School Academy recently visited Westminster, taking their learning beyond the classroom with a trip to No. 10 Downing Street and the Houses of Parliament.

The visit gave our councillors a first-hand look at how democracy works in the UK, bringing key elements of the curriculum to life. The councillors had a guided tour of Parliament, walked where our King and Queen enters, walked through the King's robe room, experienced the House of Lords, learned about the role of government and saw where national decisions are made.

The trip was a memorable and inspiring experience, which was supported by a valuable Q&A with our local Member of Parliament, Cllr Saqib Bhatti, who helped pupils deepen their understanding of citizenship, leadership and their role in society.

Visiting outside No. 10 Downing Street was a great experience where the councillors were able to connect their learning to a real and nationally significant place.

This visit reflects our school's commitment to enriching our curriculum through real-world learning experiences.
